Everybody wants to succeed in life. For some, success means achieving whatever they desire or dream. For many, it is name, fame and social position. Whatever be the meaning of success, it is success which makes a man popular.

All great men have been successful. They are remembered for their great achievements. It is certain that success comes to those who are sincere, hardworking, loyal and committed to their goals.

Success has been man's greatest motivation. It is very important for all. Success has a great effect on life. It brings pleasure and pride. It gives a sense of fulfilment. It means all-round development. Everybody hopes to be successful in life. But success smiles on those who have proper approach, planning, vision and stamina. Proper and timely application of all these elements is bound to bear fruit. One cannot be successful without cultivating these basic qualities. It is very difficult to set out on a journey without knowing one's goals and purposes. Clarity in objective is a must to succeed in life. A focused approach with proper planning is certain to bring success. Indecision and insincerity are big obstacles on the path to success.

One should have the capability and resources to turn one's dreams into reality. Mere desire cannot bring you success. The next important thing is the eagerness, seriousness and urge to be successful. It is the driving force which decides the first step on the ladder of success.

One needs to pursue one's goals with all sincerity and passion. One should always be in high spirit. Lack of such spirit leads to an inferiority complex which is a big obstruction on the path to success. Time is also a deciding factor. Only the punctual and committed achieve success in life.

Hard labour is one of the basic requirements of success. Every success has a ratio of five percent inspiration and ninety-five percent perspiration. It is patience, persistence and perseverance which play a decisive role in achieving success. Failures are the pillars of success as they are our stepping-stones and we must get up and start again and remain motivated.
